Hello Ms. St.Hilaire:

I am in receipt of your letter, and will be sure to relay this information to all appropriate staff involved in the processing of this request. You are correct to have sent this to me; however, as coordinator, I am involved on some level with all requests assigned to the Air Division. That being said, I will pass the information along (perhaps meet to discuss), and reply to you with what I hope will be an agreeable solution. You will receive an update from me as early as possible tomorrow.

Sincerely,
 Julie
